About Max Travel:

Max Travel, established in 1994, offers a personal and dedicated travel management service to many individuals, companies and associations world-wide.

Max Travel's customers enjoy the benefits of the firm's wide experience in the tourism, hotel and travel sectors.

Why use Max Travel for your leisure travel planning:

You may be spending endless hours on the Internet chasing travel information, airline & hotel bookings, visas etc. Is that actually the most effective use of your time?

If not, this means that often the time spent doing this could be better utilised. Let us take over this function for you; we are professionals with in-depth knowledge of the leisure travel market and our primary aim is to source the best deals that fit your requirements. The result is that you can get back to what you know best, your own job or pastime!

MAX TRAVEL
